

CANNABIS LEGALIZATION

If it seems like a new state is legalizing cannabis nearly every week, don't worry, you're not high – states are indeed legalizing the drug at an unprecedented pace. The wave of green legislation doesn't seem like it's going to start ebbing anytime soon, either.

Cannabis market could grow 700%.

There's a New Gold Rush.

THE WALL STREET JOURNAL.

It is a tremendous market...

This is an industry that is allowing people to come in and start businesses that they otherwise might not have been able to start.

HOW IS THIS LEGAL?

2018 Farm Bill Compliant

Agriculture Improvement Act of 2018 aka 2018 Farm Bill defines "hemp" as cannabis with a THC concentration of less than 0.3% by dry weight and removes it from the federal controlled substances schedules.

- ✦ Our products contain Hemp-Derived (HDI) cannabinoids
- ✦ Our products are under 0.3% Delta-9 Tetrahydrocannabinol (THC) by weight
- ✦ We provide Third Party Certificate of Analysis (COAs) on all our products
